Nimbus on a trip

Sunday 18 July 2027 at 10:00

We'll meet at the car park by SuperBrugsen, Nørregade 8, 6580 Vamdrup, where a OK-tank is also situated. A full tank of petrol should be enough for the trip itself, which is approximately 85 km.

The route runs from east to west, criss-crossing the Kongeå Valley – taking in the river, the bridges, places of interest and hearing about the area's history. The trip ends at the river's mouth Vadehavet – at the Kongeå lock.

We'll have a look at our bikes, kick the tyres, and some of us will no doubt tell a few tall tales

This is a full-day trip. Bring a packed lunch and something to drink.

From Kongeåslusen, it's 10–11 km to the nearest petrol stations:
* Kjærgårdsvej 34, Hunderup, 6740 Hunderup and
* Bohrsvej 1, 6760 Ribe,

Registration is not required; however, you are welcome to send *let me know*so that I have your email address.

Any cancellation of the trip will be announced on the Facebook page **Nimbus 'On the trip – Kongeåen 2027'**.

Kind regards,

Peter Junker Iversen
